### **Committee Reports**

Society Business- Joan Gazdic reviewed the changes from International. Chapter dues from now on will be due by June 30 for the following membership year that begins in September. Our \$84.00 dues for the 2019-2020 membership year can be sent to Linda Stolt and are due by May.

Joan gave the report of the committee. Under rules, our bylaws were approved and are on the website. Bylaws were clarified. There will be more updates by end of the 2020 biennium. Under research, our data shows that our membership is heavy on retirees. We have welcomed and initiated our collegiate members. The committee recommends another profile to be completed by the end of the 2020 biennium.

Special Projects- Kris Beaudette gave the committee report. International projects supported projects such as the Marion Medical Mission Malawi wells project and Feed My Starving Children. Literacy projects included our monthly book swap, a literacy gift to a local organization, awarding our annual Literacy Award, and encouraging members to participate in our chapter book club. Legislative projects included encouraging members to stay current with legislation and to participate in the biennial Literacy Seminar.

Program- Mary Balk and Honie Quinn announced that we will be selling DKG bags with a rose logo at convention. We need volunteers at convention to sell the bags. Mary and Honie gave the committee report of all of the programs that we have enjoyed at our monthly meetings.

Communications- Cheryl Kiefer notified us that our next yearbook will be online. This is the trend of other chapters in the organization.

Membership- Rose Karner gave the committee report. The committee's goals are as follows: 1. Keep in touch with all members, 2. Care team, facilitated by Glenda Klein-Mali, will reach out to members who need support for specific needs, 3. Working member outreach, 4. Facilitate activities for members to get to know other, less-familiar members..

Book club is supported by the Membership committee. The next meeting will be at 5:30 on March 26. In June, there will be an organizational meeting to discuss and plan books to be read in the next year.

Our chapter also has an active golfing group that meets on Thursdays at various golf courses. Lunch follows.

Educational Excellence- Denise Pawelczyk gave the committee report. We have been working with our grant applicants and college students to mentor them. We have several activities

during the year, including two dinners, to maintain contact with the girls. Denise and Sandy have worked very hard to keep in touch with the girls. Several of them have been awarded Lambda State grants and the winners will be honored at the Lambda State convention awards breakfast.

Mary announced that our Spring Celebration is May 7. We will be collecting cash donations to support the Kenneth Young Center. The KYC helps many families and seniors in the Schaumburg area, so please come prepared to help the organization.

Any old business? None presented.
