## Newsletter of the Gamma Gamma Chapter [www.gammagamma75.org](http://www.gammagamma75.org) May 2020

*It's hard to believe my biennium as chapter president is at an end. The past two years have flown by! I've learned so much during these two years, more than I ever imagined, and I've gotten to especially know and embrace so many of you, my chapter sisters. I feel very honored to have served you as your chapter president. But while trying my utmost to lead and represent our chapter in all things DKG, I know I wouldn't have been able to do anything without the support and hard work of our very talented executive board, our past president, Gerie Kay, as well as all our Gamma Gamma members! Even though I'm passing on the presidency to the very capable hands of Kris Beaudette, please know that my support for all of you and our chapter will continue.*

*During this difficult time staying safe from the COVID-19, I hope everyone is well and full of optimism, and I pray that we will all be able to meet again soon.*

*Hugs to you all,  
Mary*

### **MEMBERSHIP COMMITTEE:** (Madelynn Brossard)

**Note of thanks from** Rose Karner (past chair)

Living in this unique time in our country's history, our chapter's year-end traditions have not been able to take place. One of which is the opportunity to thank all the women that have made these past two years so successful and memorable! As the out-going chair of this committee, I owe a huge THANK YOU to my committee members for all their accomplishments of these past two years! They volunteered to call members, were greeters or helped members at the "welcome table" at our monthly meetings, volunteered for the Nominating committee, or gathered together each summer to put together the photos of our DKG happenings for the year. These are but a few of the many tasks asked of them! When I asked for volunteers, they were always willing to step up to get a job done! It has been my pleasure and honor to work with these women! The successes of this committee, are due to the cooperation, camaraderie, support, positive attitudes, and creativity of these ladies! Jane Born, Madelynn Brossard, Julie Ehrhardt, Jane Martin, Mary Roeing, Jacqui Rothman, Sue Werner, Maureen Briza, Alice Ryan Stephanie Grande and Nancy Harmon

This committee covers membership inductions and issues, necrology, nominations and Chapter history/archives. If you are interested in attending or joining this committee meeting, please contact new chair, Madelynn Brossard [rtb1445@yahoo.com](mailto:rtb1445@yahoo.com)

Please send updates to me, Cheryl Keifer, at [ckeifer@gmail.com](mailto:ckeifer@gmail.com), or call 847.305.9404.

Over the next several months we will be continuing in our effort to update our website by working to make it more user friendly and incorporate new committee names, etc. Until we are ready to unveil a finished version of the website, know that it will continue to be available, as it has been, thanks to the work of Kathy Muench and other reliable contributors.

**We have changed our September speaker, Jeff Smith, speaking about "Stress, Wellness and Humor" which will be moved to October.**

**EDUCATIONAL EXCELLENCE COMMITTEE-Scholarships:** (Denise Pawelczyk)

Many exciting things have happened this month!!! Among the highlights:

\*One of our newer active members, **Lauren Haman** (2019), just shared with me that she was identified as 1 out of 7 staff in her district that is strong at building classroom community and positive relationships with students. Because of that, she **has been chosen to lead professional development sessions this summer** for the staff at Maine South High School to learn how to be successful in this in a virtual setting. (Not bad for someone just finishing their first year of teaching!!!)

\*The recruitment grant selection committee met via a Zoom meeting this week to choose our 2020 recruitment grant recipients! Many thanks to these dedicated, hardworking, and caring women who helped me in the decision making!!! It was a difficult task with all the fine candidates we had to select from.

I am pleased to announce that **Giselle Menjivar is our Gamma Gamma Recruitment Grant recipient!!!** Giselle is a 2020 graduate of Conant High School. She will be majoring in education at IL State University. Giselle was part of the Educational Internship program at Stevenson Elementary School. She hopes to work with ESL and bilingual students. Quoting Giselle "...When I think of myself as an educator, I see so much more than lessons in a classroom. I know that what goes on inside of the classroom is important, but students' lives after school hours are just as crucial to their academic success....I see myself taking the time to know my students' and their families to find out what it is that I can do to ensure the best learning environment for them....With great anticipation, I am looking forward to the day in which I will be able to call a classroom my own. Until that day, I will continue to work hard to achieve my goals of becoming an exemplary educator that is passionate about education and goes above and beyond to ensure student success."

**Jillian Mininni is our Anne Fussell Scholarship recipient!!!** Jillian is a 2020 graduate of Schaumburg High School. Jillian is also enrolled at IL State University to study education. It seems fitting that a former student of Anne's will be able to carry on Anne's love of learning and passion of working with young people. To quote Jillian, "...Miss Fussell was my kindergarten teacher. As a nervous kindergartener, she made me feel welcome in her class and I will always remember her as the first teacher I had in elementary school...I remember that everyone loved

it when Miss Fussell would read stories and we would sit on the carpet...During kindergarten I got to make a lot of new friends, had fun while learning new things, and had an amazing teacher!"

(Depending upon "Restart Illinois" protocols, recruitment grant recipients as well as new collegiate members will be honored later this summer.)

\*Another rousing piece of news: **Emilee Baldwin has requested active membership in our Gamma Gamma chapter!** Emilee is the daughter of Gamma Gamma member, Michelle Baldwin, and the sister of member, Karyn Baldwin.

Emilee is a 2019 graduate of IL State University with a B.S. in Middle Level Education. She spent the 2019-2020 school year in A Coruna, Spain as a Fulbright English teaching assistant. Now back home, she has accepted a position as a teacher at Winston Campus junior high school in Palatine. (Emilee will be inducted as an active member in the fall with our other new members; pending a lifting of COVID restrictions.)

\*Last, but not least, our 2020 **Gamma Gamma Chapter Scholarship recipient is Sue Werner!** Sue took a class on the prevention of feeding, speech, and mouth development problems in children from birth to age 2.

**Gerie Kay is this year's recipient of our Love of Learning Stipend!** She took a class on senior iPhone and iPad use. (Now we all know who to hit up for advice on their use..!!!) It was an easy selection process; since these two women were our only applicants..! (Hopefully next year, more of you will apply..!)

\*NOTE: Thank you to those of you who emailed that you plan on attending **our annual Educational Excellence Committee--Scholarships meeting.** It **will be held at 10:00am on Tuesday, June 9th, via Zoom.** Sue Wadkins has graciously agreed to set the Zoom meeting up for me. She will be sending you all an email invitation closer to the date!

The Educational Excellence Committee-Scholarships will meet via Zoom on June 9<sup>th</sup> at 10am. Denise will send out the meeting details to the committee members beforehand. The following members are on this committee: Denise Pawelczyk(chair), Cammy Basak, Sudha Byanna, Nanette Carli, Karen DelVecchio, Peggy Gire, Mary Hurd, Gretchen Mahin, Carol McHale, Judy McGuire, Cindy Nicholson, Mary Stitt, Susan Wadkins, Sandy Cook and Karyn Baldwin.

This committee takes on the chapter scholarships and grants, as well as collegiate mentorship and memberships, almost exclusively. If you wish to learn more about this committee, or want to attend a committee meeting, please contact Denise Pawelczyk.

**SPECIAL SERVICE PROJECTS:** (Gerie Kay)

Kris Beaudette, past Chairperson

Thank you to all of our committee members and all chapter members for all of your hard work and participation on all of our projects over the last several years. We have planned and carried out many projects, including collections of food for food banks, school supplies for Schaumburg Township and for District U-46, socks/underwear/pajamas for families in need, cash for several local organizations, and gift cards to support our collegiate members and Special Olympics fundraisers. We have supported our international causes with Feed My Starving Children and Marion Medical Mission, we have encouraged awareness of the legislative process, and we have promoted literacy through our book swaps, Book Club, and Literacy Award winners.

I have enjoyed being chair of this committee and encourage all of our members to consider chairing a committee at some time. I am stepping into my new role and welcome Gerie Kay as the new Chair of Service and Special projects. Congratulations and best wishes to Gerie for taking this leadership position!

Gerie Kay, Cindy Sheely, Katie McGarvey, Jo Ann Bechtold, Kris Davenport, Debbie Faems, Keri Gold, Mindy Jones, Mary Kay Marrello, Lorena Williams, Tish Chapman, Rita Tweed and Michelle Baldwin.
