Dear Counselor,

Gamma Gamma Chapter of The Delta Kappa Gamma Society International is offering two recruitment grants for senior women interested in entering the field of education. I have sent you a letter and one application that can be submitted for these grants.

Attached is an application for the 2021 Educational Recruitment Grants. Gamma Gamma, a local chapter, offers two \$1500.00 non-renewable recruitment grants. One grant is in memory of member Anne Fussell; the second grant is offered by our local Gamma Gamma Chapter. Only District 211 female, senior students pursuing a career in education will be awarded one of these grants. I sincerely hope you will encourage your students to apply and utilize this opportunity for grant money.

Attached to this email you will find the application. Application packets must be electronically filed to the email address below, and received on or before Monday, April 12, 2021 in order for the applicant to be considered by the committee. Applications are also available at [www.gammagamma75.org](http://www.gammagamma75.org)

Thank you for your help. If you need to contact me for any reason, my contact information is below my name.

Sincerely yours,
